Tankersley St. Peter's Primary School

Dear Tankersley Community

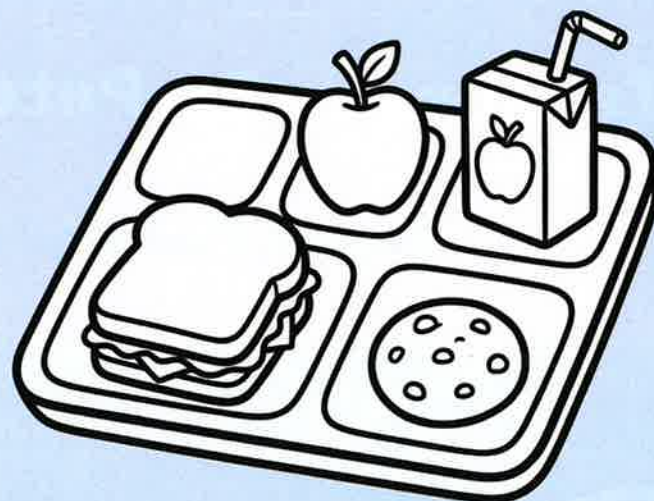

*Guide me in your
truth and teach me,
for you are God, my
saviour and my hope
in you all day long.*

As we move through the summer term, I find myself reflecting on the wonderful moments that make our school such a special place. From woodland adventures to museum expeditions, our pupils continue to demonstrate the very best of what it means to be part of our school family.

Next week, we are delighted to welcome our annual bake off competition, taking place on Thursday. For just £1 per entry, we invite pupils and adults alike to showcase their baking talents, with this year's theme centred around our school vision. We have three categories: one for our nursery and Key Stage 1 pupils, another for Key Stage 2, and a special category for adults. I must confess, I have been giving considerable thought to my own cake creation! The winning adult cake will be auctioned both online and at our afternoon tea event, with further details to follow. It promises to be a delicious celebration of creativity and community spirit.

I would also like to take this opportunity to inform you of an important change to our school meals provision. Due to increasing costs, the price of a school meal will rise to £3.20 from Tuesday 5th May.

We remain wholly committed to providing high-quality, nutritious meals for all our pupils, and we genuinely appreciate your understanding and continued support during this time. Should you have any questions, please do contact the school office. Our menus are available on the school comms app and our website.

Looking ahead to 15th May, our annual colour run promises to be another highlight of the calendar.

Every child will have the opportunity to participate, with Foundation Stage children enjoying a water fun run on our grounds. Our Key Stage 1 and 2 pupils will each complete a timed lap in the morning before joining in the afternoon's colour festivities. We will be awarding medals to all participants, with special recognition for the fastest child in each class and an overall prize for our highest fundraiser. Children should wear a white t-shirt or old clothes, and we are selling sunglasses for £1, which can be ordered and paid for via the school comms gateway. Last year was such tremendous fun—I left looking rather like a smurf after Rev. Chris's enthusiastic involvement!

More news from the classroom

Beyond these exciting events, I have been privileged to witness our pupils thriving across the curriculum. Our Foundation Stage children recently returned from a woodland walk with tales of bluebells and Gruffalo-spotting, their joy infectious and their curiosity boundless.

Last week, our Year 5 pupils visited the National Coal Museum, where they were exemplary ambassadors, demonstrating the politeness and charm that we are so proud of. It was a genuine pleasure to spend the day with them.

This weekend I will be trying to sneak over to my son's house. Ben moved out in Feb, but has only let me see his house once. He lives with 5 other people in this house and I know that he is going to be living in a mess!!! So, he doesn't let me come around
