Year 3 - Snozzcubmers

Monday 18th May 2026

Dear parents/ carers,

I hope you had a lovely weekend.

This week in **English** we will start working with our new text which is BFG by Roald Dahl. We will learn about different word classes, noun phrases and similes and write a character description.

The spellings for this week are: **medicine, eight, guide, decide, calendar**. The spelling test will be on Friday as usual.

In **maths** we will continue with our topic about telling time. I am sure you will agree that this is a really important life skill so if the children could practice at home too it would be great. Please continue also practicing the times tables on TT Rockstars and encourage your child to work towards a times table badge. Our knowledge of the 2, 5, 10, 3, 4 and 8 times tables needs to be really secure by the end of the school year

In science we will finish our topic about Plants.

In history we will learn about the Ancient Greek Olympic games.

In RE we will continue learning about baptism and learn about different features of the baptism ceremony.

PE days are Wednesday and Thursday. Please remember to come in a PE kit on these days.

Homework this week will be on My Maths. It will be set on Thursday and needs to be completed by the following Monday.

On Tuesday, the 19th May, we will have a special Ancient Greek day and the children need to come to school dressed up as Ancient Greeks. We will also present a short performance about Ancient Greece to the rest of the school. Parents and carers of Y3 children are invited to come and watch the performance which will start at 2.45pm.

On **Wednesday 20th May at 9.30 am**, we will have the special Clyppings service at Tankersley Church. Pupils from Years 3, 4, 5 and 6 will attend the service alongside staff. We would be delighted if you could join us for this special occasion and help us continue to celebrate and preserve our local traditions.

Our final school trip of the year will take place on Thursday 16th July, when we will be visiting the Magna Science Adventure Centre. Please arrange payment for the coach online and ensure this is completed before the due date.

Thank you for your support.

Mrs Cooper
