

## RECEPTION

### CLASS NEWSLETTER-Monday 18th May 2026

This week the children will be finishing off making comparisons between their Locality, the Amazon Rainforest and the Arctic, talking about any similarities and differences. They will also be exploring more of Eileen Browne's fiction books. In maths the children will be recalling number pairs to 5 and some to 10. The children will also be having their weekly P.E session in the hall, focusing on gymnastics. There will be individual and paired reading opportunities. As usual, there will be lots of child-initiated learning in and outdoors, where there will be a focus on extended talking and independent writing in the provision.

### WATER BOTTLES, SUN CREAM and SUN HAT

Please make sure that your child brings in a fresh water bottle each day and please send in your child's sun cream with their name on it. Thank you. The sun cream will stay in school until the end of the summer term and your child will be able to apply it in school. You may also want to apply sun cream on your child before they arrive at school. A sun hat will be needed in school each day.

### READING AT HOME AND RWInc VIDEO LINKS

Please continue to hear your child read to you as often as possible. This, along with practise at school, really does make a difference in your child's confidence, fluency and understanding when reading. We want to encourage a life-long love of reading! Please also access the RWInc video links for your child, as they provide extra practise! Thank you.

**\*\*Remember to take a look at the 'Shining Stars' Reception class blog on the school website.\* Also look out for our learning on X.**

**Thank you for your continued support. If you have any questions, please do not hesitate to come to speak with myself or any member of the EYFS team. Have a super Spring Bank break!**

**Mrs Hartley (Reception Class Teacher and EYFS Co-ordinator)**
