w/c 8th June 2026

This half term we will be learning about the season of summer, journeys, different transport, holiday destinations and Space! Our enquiry question is 'How and why do people travel?'

It is **INSET** day on **Monday**.

This week we will begin to think about 'Father's Day' and the special things that Daddy and Grandad may do for us. In celebration of this event we will start making a special card to give to a loved one next week on 21st June.

Please could you make sure your child's name is on their water bottle, packed lunch box and clothes. It would be really appreciated. There are lots of unlabeled clothes in the cloakroom. Please ask if you have missing jumpers, jackets, cardigans etc.

Many thanks,

Mrs. Terrell
