

BILLIONAIRE NEWS

8th May 2026

Hello parents and carers,

Today we celebrated the 100th birthday of Sir David Attenborough, who is a real inspiration to our class. The children enjoyed watching a special tribute celebrating his remarkable career, including messages from famous friends and collaborators such as Hans Zimmer. We discussed how Sir David's work to protect our planet reflects our school vision: "to make the world a better place."

What have we been learning this week?

- **Maths** - We have just finished Decimals and are moving on to Money next week.
- **English** - How to Train Your Dragon - punctuating speech, sentence structure, prepositional phrases, expanded noun phrases, similes and metaphors.
- **R.E.** - Humanism - What does it mean to be a Humanist? How has the UK's religious beliefs changed over the past 20 years?
- **P.E.** - Swimming; rounders
- **Music** - Viking songs
- **Science** - How are sounds made? How does the structure of the ear help us to hear sounds?
- **History** - How and why did the Vikings invade Britain? What were Viking runes?
- **PSHE** - First Aid

Homework and RWI spellings

This week's homework is **Reading (VE day)** and is due on **Monday 11th May**. Children have the opportunity to complete homework in school every Thursday/Friday. Spellings are tested every Friday morning.

Please continue to bring reading diaries to school, particularly on Mondays when they are checked by the class teacher.
