Year 3 - Snozzcumpers

Tuesday 9th June 2026

Dear parents/ carers,

I hope you had a lovely break.

We are starting our last half term in year 3 and no doubt it will be filled lots of fun and interesting activities.

This week in **English** we will start gathering skills for our next assessed piece of writing which will be a narrative based on the Ancient Greek myth about Theseus and the Minotaur.

The spellings for this week are: **drink, place, courage, writing, meeting, subway, future.** The spelling will be on Friday as usual.

Please continue to encourage your child to read as much as possible and fill in the reading journal. They are checked on Thursdays so it is important that the children bring them in.

In maths we will start out new unit about shape. We will learn about turns, angles, horizontal, vertical, parallel and perpendicular lines. We will also keep revising our times tables as we need to make sure we are confident with our 2,5,10,3,4 and 8 times tables by the end of this academic year. Please continue to use TT Rockstars at home.

In science we will start our new topic about Forces and Magnets.

In RE we will learn about the Bible.

In history we will finish our topic about Ancient Greece.

In music we will learn how to play the ukuleles.

PE days are Wednesday and Thursday. Please remember to come to school in a PE kit on these days.

Homework this week will be a reading comprehension. It will be set on Thursday and needs to be completed by Monday.

Friday is sports day. The children need to come to school wearing a T shirt in the colour that has been allocated to them as they will compete in colour teams. I am sure this will be a really fun day and we are all really looking forward to it.

Our final school trip of the year will take place on Thursday 16th July and we will be visiting the Magna Science Adventure Centre. Please arrange payment for the coach before the due date.

Thank you for your support.

Mrs Cooper
