

Nursery Newsletter

15th June 2026

This week we will be learning about travelling using different types of transport.

Our literacy focus is on stories with a transport theme such as 'The Train Ride' by June Crebbin and 'Can you Choo Choo Too?' by D. Wojtowycz.

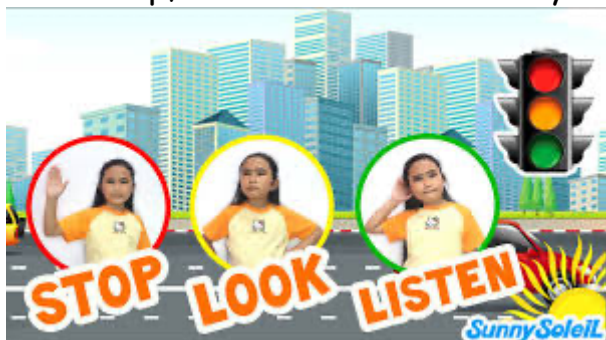

We are learning a road safety song (to the tune of '10 Green Bottles') for you to sing when you are out with your Hungry Caterpillar!

Stop, look and listen before you cross the road.

Stop, look and listen before you cross the road.

Use your eyes and your ears, before you use your toes!

Stop, look and listen before you cross the road!

Please talk to your Hungry Caterpillar about different ways to travel and discuss their favourite transport.

Many thanks,
Mrs Terrell
