

Nursery Newsletter

29th June 2026

This week we will be continuing to learn about Space. We will be finding out about Artemis 2 and learning Space songs for you to sing at home!

Astronauts and a Rocket Ship
(tune of Twinkle, twinkle little star)

Astronauts and a rocket ship,
Zoom to the moon on a little trip.
Out the window what do they see?
Comets, stars and a galaxy.
Astronauts and a rocket ship,
Zoom to the moon on a little trip!

I'm an Astronaut (tune of Freque Jacques)

I'm an astronaut, I'm an astronaut.
Flying high, flying high.
Higher, higher, higher,
Higher, higher, higher.
Touch the stars, touch the stars!

I'm an astronaut, I'm an astronaut.
Flying down, flying down.
Lower, lower, lower,
Lower, lower, lower.
Touch the ground, touch the ground!

We would like to invite you to watch our end of year 'Sing-along'. It will be performed 2 times, on Tuesday 14th July at 3pm and Friday 17th July at 3pm. Please could parents of the Nursery leavers come and watch the performance on a day their child normally attends Nursery. Family and friends are invited to come and watch us sing

some favourite songs and say goodbye to the children who are moving to our Reception class.

We will miss our leavers very much and wish them well as they take their next big step to school.

Our Goodbye Song (for you to sing at home too!)

See you later, alligator
In a while, crocodile.
Give a hug, little bug
Blow a kiss, jellyfish!

See you soon, big baboon
Out the door, dinosaur.
Take care, polar bear
Wave goodbye, butterfly!

It is Sports Day for the Early Years children on Wednesday 1st July at 9.15-10.30am. Friends and family are invited to come along and support their Hungry Caterpillar!

Many thanks,

Mrs. Terrell
