Year 3 – Snozzcumbers

Monday 6th July 2026

Dear parents/ carers,

I hope you had a lovely weekend.

This week we will continue with our termly assessments and complete the writing assessment. The children have done very well in last week's tests and I am very pleased with the progress they have made.

The spellings for this week are: **obey, notice, impress, responsible, logical, scissors, international**. The spelling test will be on Friday as usual.

In maths we will finish our topic about statistics and start revising all the different topics but especially focusing on time as the children find this area particularly challenging.

In science we will continue learning about Forces and Magnets.

In geography we will learn about the countries and cities of the UK.

In RE we will read different parables from the Bible.

In music we will continue learning to play our ukuleles. The pupils are really enjoying the lessons and are making excellent progress.

Homework this week will be a reading comprehension. It will be set on Thursday and needs to be completed by the following Monday.

PE days will be Wednesday and Friday this week and the children will need to come in their PE kits on this day.

On Wednesday we will be sending home the school reports. Please can you complete and sign the sheet about receiving it and send it back to school.

This Thursday is transition day and the children will spend the day in Year 4 with Miss Phillips and learn about their new class routines ready for next year. I am sure it will be a very enjoyable day and fun day for everyone.

On Thursday 16th July it is our trip to Magna. We will explore the exhibits to deepen our scientific knowledge, take part in an interactive workshop and also spend time in the adventure playground and the water park. The children will need to wear uniform for this trip but also bring a towel, crocs or sandals and a full change of clothes.

Thank you for your support.

Mrs Cooper
