

RECEPTION CLASS NEWSLETTER-Monday 13th July 2026

The Shining Stars will be practising counting on from any number within 30 as they learn more about the number system. The children will also be playing a range of number games in the provision and refreshing their knowledge of flat and solid shapes this week. In Literacy, the children will be responding to an Evil Pea crime scene in their role-play home corner, as part of their learning about the fiction book: 'Supertato.' The children will also be creating their own Supertato models. The Shining Stars will then be listening to the 'Superbat' story. As usual the children will be choosing their learning and playing in the provision, collaborating and extending their vocabulary and ideas.

Plastic bag for bringing learning home

Please send your child to school with a named bag, so that we can send learning and other belongings home over the next 2 weeks. Thank you.

Water bottles, sun hats and sun cream

Please send your child with a fresh water bottle each day and a sun hat. Sun cream (labelled with your child's name) can be sent into school and will be kept in a box, where your child will be able to apply it. You may also want to apply your child's sun cream before he/she arrives at school. Thank you.

****Remember to take a look at the 'Shining Stars' Reception class blog on the school website and X posts****

If you have any questions, please do not hesitate to come to speak with myself or any member of the EYFS team.

Mrs Hartley (Reception Class Teacher and EYFS Co-ordinator)
