Autumn 1 Newsletter

A note from the teacher

Welcome back to a new school year! We are excited to begin/continue our Nursery journey and have a busy and engaging half term ahead.

Our learning will focus on ourselves and how we grow and develop. Please could your child bring in a baby photograph for a classroom display. We will also be learning about our 5 senses.

You will notice our new-look newsletters this year, designed to give key information at a glance and to be stuck on the fridge as a handy reminder of important dates and events. We are looking forward to a fantastic start to the year and thank you for your continued support.
