Our Tankersley EYFS Overarching Vision

At the end of EYFS, our pupils will have good independence skills and the ability to express and regulate their emotions in a range of contexts. They will be articulate and critical thinkers, with curious minds in relation to the world around them. The children will have solid foundations in all areas of the curriculum, including literacy and numeracy, on which to build in future years.

Our EYFS Curricular Goals

By the end of EYFS pupils will be able to:

- Use a broad vocabulary to support daily conversations and 'Say a aloud' before writing, using language as a vehicle for learning.
- Use their fine motor skills to independently fasten and unfasten zips and buttons.
- Explore the past and present by asking and answering a variety of questions.
- To move with co-ordination, balance and spatial awareness during physical activity.
- Plan, draw, cut, stick and evaluate one of their creations.
- Be mathematical thinkers, who can spot patterns and recall number facts.
- Create, tell and perform their own story.
- Find awe and wonder through the exploration of their own interests and the environment.
- Use a comfortable pencil grip (mainly tripod) to form accurate letters and numerals to 9.
- To write simple sentences (using correct letter formation), which can be read by themselves and others.
- Have a love of stories, rhymes and books and be able to talk about them.
- Show understanding and regulation of their own feelings and feelings of others.
